

### **What is 48 Hours of 4-H?**

48 Hours of 4-H is a Kansas 4-H service challenge that was created as a way to challenge 4-H members to explore their service capabilities – “To Make the Best Better” in their communities, counties, and across the state.

### **When will it be held?**

48 Hours of 4-H will be October 12-13, 2024

### **How can I participate?**

In Geary County, we are giving you two options for participation.

- 1) Design or color a fall door hanger for Brookdale Senior Living residents. Door hanger templates will be mailed to you and you are asked to return them to the Extension Office by October 15.
- 2) Volunteer at Milford State Park to help with the Monster Myths program by serving as a trail guide on Saturday, October 12 from 4:00 to 9:00pm.

### **How do I sign up?**

To volunteer, contact the Extension Office at 785-238-4161 or email Ginger at [gkopfer@ksu.edu](mailto:gkopfer@ksu.edu) by Thursday, September 26 at 5:00pm.

### **What if I can't participate in any of these options?**

Projects can also be done as individuals, so choose a project on your own and complete it October 12 or 13. Make sure to register your project at [www.Kansas4-H.org/484H](http://www.Kansas4-H.org/484H). A list of ideas of things to do can also be found on this website in the 484H Guide.

### **Let's work together to make a difference in our community!**

K-State Research and Extension is committed to providing equal opportunity for participation in all programs, services and activities. Program information may be available in languages other than English. Language access requests and reasonable accommodations for persons with disabilities, including alternative means for communication (e.g., Braille, large print, audio tape, and American Sign Language) may be requested by contacting the event contact Ginger Kopfer four weeks prior to the start of the event at [gkopfer@ksu.edu](mailto:gkopfer@ksu.edu) or 785-238-4161. Requests received after this date will be honored when it is feasible to do so. Language access services, such as interpretation or translation of vital information will be provided free of charge to limited English proficient individuals upon request.

**Kansas State University Agricultural Experiment Station and Cooperative Extension Service**

K-State Research and Extension is an equal opportunity provider and employer.
